Texas, to visit relatives.

Dr. White and Supt. Gaal Disagree—White Makes Annual Report.

Troubles at the county hospital were brought to light Monday morning at the regular semi-monthly meeting of the county commissioners, when Dr. Hugh S. White, county health officer, stated that Louis Deraiz, an assistant nurse, had been discharged by L G. Gaal, superintendent of the county poor farm, without authority.
Dr. White said: "I have experienced

considerable difficulty in securing nurses for the hospital and when I get a good one I want to keep him, The amount necessary to save the El Gaal paid this man \$20 when he should

surance meeting Sunday morning and forced him to allow his name to be added to the subscription list for \$100. Reports from the out townships reduced the amount to \$1900 Saturday night and the \$100 Sunday put the limit to \$1800. The and then he discharged my man.
"It is very difficult to keep nurses

there. Mr. Gasi gets mad. He knows he does and so do you and I. He has trouble with his own help and has a new cook every month. It is necessary for me to have two nurses there for there is an average of over 24 patients there all the year round and sometimes more. One man cannot attend to the

Mr. Gaal then said: "That man isn't fit for a nurse. He cut up eight shirts, and when I told him about it, he me I could go to a place where they don't have refrigerators. He makes trouble. He wants all the time to go to town and then at 12 or 1 oclock at night we would be in a bad fix if somebody gets shot up. I sent for him and he wouldn't come to my office when I wrote him a note stating that he was discharged, he threw the paper back to me.

Commissioner Freudenthal said it was plain the nurses were under the direc-tion of the physician, but should be respectful to the superintendent of the and Irish brogue, got away with his poor farm and recommended that the specialties in first-class shape and the man be paid \$25 for the month of May, but that he be not retained in the serv-

salary of \$25 per month

Annual Health Report. Dr. Hugh S. White then presented his annual health report which showed 358 is a story of New York's famous East- patients admitted to the county hospital Year. around Gotham. There will be three there being an average daily attendance of 24% each day during the year. About il operations were performed during the year, only two patients dying after operations. One of these was suffering program commencing tonight. The bill near death when taken the hospital.

> Then the physician presented his report for the month of May showed 31 patients entered at the hospitnl and 42 discharged, the average while Bernard and Booth daily attendance being 28 "During the month of May." he said, "nearly 1000 patients were attended,

> > County commissioner S. J. Freudentions thereby saving the county money. Dr. White answered, "We have a fair

supply on hand now and do that where possible. The whole trouble is that we have no medical college here as they have in other cities where I have been, to act in conjunction with the clinics, and undoubtedly we are sometimes imposed upon. However, where we know that patients are able to pay for medicine, we simply give them the prescriptions free and let them buy their own drugs. We need some way to keep away people who are not really paup-

Mr. Freudenthal replied: "The only way to do that is to have a check on them and when one is caught, it will each a lesson to the others." for a cross road built from the county road to the old county road, two nace which heats the Calisher store. miles west of Clint. On motion of commissioner Perez this was ordered done at an expense of \$250.

Residents of Ysleta asked for the appointment of a meat inspector to protect them. Judge Eylar stated that he had heard bad meat was being sold there and the matter was referred to emmissioner Smith for Investigation. The bond of A. T. Duncan, constable at Sierra Blanca, was approved.

#### COLES'S GOLF TEAM PAYS FOR DINNERS

Frank Coles says he did his part to ward winning the Country club match Sunday from the regulars and if the entire team had done as well as their brave captain, the dinner match would never have been lost to the Jim Primm team. Primm denies this and says that Coles lost the match

The facts are that the Coles team paid for the dinner after the match had been played over the Country club course. the adding machines in all of the local banks have been busy since the match, the total score has not yet been counted

KENTUCKY FEUD CLAIMS TWO. Lexington, Ky. June 13.-in a feud

battle in Breathett county, two members of the Crawford family were shot to death and a member of the Johnson family was wounded, according to reports reaching here today.

# GREEK CHURCH BUYS 50,000 ACRES FOR COLONY PURPOSES IN MEXICO

One of the largest colonization projects ever undertaken in the country is to be started at Candelaria, 48 miles south of El Paso on the National Rail- be in no sense a religious settlement. A ways of Mexico in the state of Chihua- town will be built at or near Candelaria, hua. Archbishop Vilatte, head of the where the Orthodox Catholic church of the west, quarters. known as the "Greek" church, closed a deal with the Mexican Irrigated Land company of Kansas City Monday for 50,-000 acres of the fine farming land in northern Chihuahua surrounding Candel-

Archbishop Vilatte, who has been in El Paso for the past week, returned from an inspection of the land Monday and immediately closed the contract for the land with F. T. Wall, of Kansas City, who is treasurer of the land company.

While the contract called for 50,000 acres, it is the intention of the archbishop to secure three times this quantity of land later. His plan is to colonize the tract with the members of the Greek. church who come to the United States seeking their fortunes, but who are now being herded in the big cities and torced to do menial work in order to make a living. It is the intention of the arch-bishop and his followers to make the bishop and his followers to make the another one of El Paso, and will be another one of El Paso's valuable agricolony one of the strongest in the coun- cultural resources.

where the archbishop will make his head-

Colonists will be brought to the country from all parts of Europe and will be

ettled upon tracts.

Archbishop Vilatte, who is the head of the entire Greek church in America, is a man of striking personality. He has long, gray hair which he combs back from forehead and he attracts attention around the Sheldon, where he is staying His headquarters are now in Chicago, but he is traveling the greater part of the time and has been abroad a number of times in the interest of his church. want to get our people out of the cities," father Vilatte said. "They do not belong there and cannot get work that they are suited to. That is why we are bringing them to this country to settle them upon

RAILROAD NEWS.

zozo-Descriptions of Robber Conflict.

G. h. Hawks, superintendent of the Sanderson, Tex., June 13.—A petitica Southwestern, and Q. Sadler, special of the road, left Sunday night on addressed to governor Campbell retrain No. 2 for Carrizozo, the scene of questing him to remove the rangers the Friday night robbery on the Southflicting descriptions of him are given suit as there was absolutely no cause but the description that officers are for any such move, they say, as the working on was furnished by the proprietor of the eating house at Carrinot stand for any violence or lawless-

Prior to the robbery, a stranger ap-beared at the eating house there and kind of men that are being imported state that the man was tall; others that he was a small man; but all agree that Rev. F. G. Cox, paster of the Methodist he was so sunburned as to be a notice- church at this place, from the company able fact.

able fact.

It is said that the brakeman's lack of experience was the cause of his failure to bring the train to a stop when the robber demanded that he stop it. Instead of pulling the cord twice, the signal for an immediate stop, the brakeman pulled the cord three times, the A gang of nonunion Mexicans and a signal to stop at the next station. Since Mexican foreman are working here in Then it was learned that nothing was stated in the contract relative to two nurses, so the county health officer on from the train conductor to stop at was until recently a section foreman at Robsart, the brakeman's signal was dis-

> private car pointed out the emergency signal cord to the desperate brakeman and the train stopped.
